"JUNIOR FLOWER GARDEN" PROVED A HAPPY AFFAIR

"The Junior Flower Garden" last evening at the First Presbyterian church proved a revelation and a delight to the many who witnessed the production, the auditorium being well filled.

This very beautiful and new musical cantata was given under the direct supervision of Miss Jannet Wilson who gave much time and attention to the training of the children who took the parts, and the production showed that her efforts were not in vain.

The stage, especially erected, was arranged as a garden, with trees, flowers, bowers, etc., which gave a most natural and pleasing touch to the scenic effect.

Each set of children were garbed to suit the season and the particular part taken by them, and when it is considered Miss Wilson made all these little suits, it can be imagined what a job she had on her hands. Suitable colors were used, the flower and nature effect being most pleasing and effective.

Boys spaded the ground, boys weeded the flower beds, and girls sowed the seeds, while others shed glad sunshine round about the flower garden.

Eleanor Day represented the Junior society, while Lawrence Baker and Sarah Crouch took prominent parts as applicants for membership. The dialogue work was very pleasing and showed careful and persistent study and training on their part as well as that of their instructor. Those who took part are named below:

Spade Boys—Herbert Davis, Lee Bush, Andrew Black, Lawrence Shirley, Harold Meybin, John Patterson.

Rain Boys—William Mouer, Robert Stevens, Clarence Shirley, Samuel Hibbs.

Weed Boys—Walter Harper, Walter Baker, Glinford Hunter, Harold Rowell, Walter Neudorfer, Sterling Shupe, Russel Neudorfer, Leland Reese.

Seed Sowing Girls—Martha Ralston, Mildred Schlup, Helen Rowell, Agnes Jacobs.

Sunshine Girls—Estelle Bush, Isabelle Reese, Ruth MacDonald, Amelia McVay.

Violets—Thelma Smith, Grace Adams, Catherine Barben, Helen Cook.

Lillies—Francis Cook, Margaret Crouch.

Rose—Lois McVay.

Poppy—Doris Prescott.

Rose Buds—Grace Shupe, Lucille Hunter, Beverly Woods, Louise Hibbs.

The Pythian Sisters will give a chicken and waffle supper Saturday, Feb. 27, at the room of the old Central pool room, Donner avenue. Supper to begin at 4 o'clock. 17-4t fp

"Jean Val Jean" Well Read

A large audience gathered at the Methodist church last evening to hear the Rev. Walter E. Burnett of Johnstown read "Jean Val Jean" and everyone was heartily pleased and highly entertained as the reverend gentleman did his work well, he having his subject well in hand, and being a most pleasing reader with a fine delivery, his work made a profound impression. "Jean Val Jean" is an old, old story, but last night it was made new to many who heard Rev. Burnett's version of it.

MEDICAL AND SURGICAL STAFF CHOSEN FOR LOCAL HOSPITAL

The Medical and Surgical staff of the local hospital organized this week by electing Dr. D. R. Sloan of Charleroi, president and Dr. B. L. Cowan of Monessen, secretary. Neary all of the fourteen elected were present and the surgical staff divided periods of work for the six months following March 1 as follows: March and April Dr. Emmet Black of Bentleyville, Dr. R. E. Conn of Monessen and Dr. B. L. Cowan of Monessen; May and June, Dr. M. J. Cramer of Monessen, Dr. D. E. Sloan of Charleroi and Dr. I. J. Israel of Monessen; July and August, Dr. C. F. Duvall of Monessen, Dr. T. B. Cowan of Monessen and Dr. V. P. Vieslet of Charleroi.

Meetings of the general staff will be held regularly on the last Thursday evening of each month at 9 o'clock. The medical staff will organize soon and likely include some of the members of the surgical staff, which will divide the work up about as the surgical staff has done. In this way six physicians and surgeons will be on duty all the while at the hospital, for charity patients alone.

Unless a patient is paid, the staff on duty must attend, but members of the staff as well as other physicians and surgeons may have private patients in the hospital at the same time.

Miss Genevieve Dahy, the newly elected superintendent, was present, as well as members of the staff and executive committees of the board. Mis Dahy will take charge Sunday afternoon.

STRICT TRAFFIC ORDINANCE WILL SOON BE IN FULL FORCE

A drastic traffic ordinance recently passed by council and signed by the burgess is now being published and is law. It is up to Chief Wheatley to establish decorum on our streets and to protect the public from reckless drivers.

For a long time this ordinance has been pending. It has been discussed in council and revised and amended to suit individual advocates in an effort to get something substantial to work upon There is no reason now that the public of Monessen should not be properly safeguarded and that all drivers be taught to respect the law. Like all other reforms some ill feeling will be engendered in the enforcement of the ordinance for there will be some drivers who will persist on being master of the situation and choosing their own rate of speed and their own side of the street to move along. The obstinate class should not be considered above the life and limb of humanity and Chief Wheatley will have every right thinking citizen back of him in a movement to break up reckles driving and to force people to use the side of the street provided in the ordinance and in carrying out every other provision of the ordinance.

If it is necessary to provide extra officers until people get acquainted with the law, the taxpayers will not object for they realize that something should be done to stop racing through the streets.

The ordinance also gives Chief Wheatley the power to establish any police regulation with regard to public travel that he deems wise and necessary for the protection and benefit of the public. Chief Wheatley is a man of sound judgment and has always conducted the affairs of his office to the best interests of the people at large, always striving to fulfill his duties. The passage of this ordinance places added responsibilities upon him, and all vehicle drivers should strive to co-operate in making our public streets as safe or safer than those of the larger cities. The rate of speed is fifteen miles an hour for automobiles, and this limit should not be exceeded by anyone. If people generally, co-operate with the police department, it will not be long until there will be very little congestion on our streets and there will be few if any accidents.

SPRING SUITS for the Little Fe low

The Styles That We Recommend as Good for the Spring

The Vestee (Lord Fauntelroy) and the "Oliver Twist," in all combinations.

We don't show the assortment of the Pittsburg department stores but if you can be suited, we can save you money.

Last season the writer had occasion to visit a Pittsburg department store--we were showing "Oliver Twist" velvet suits at $4.15 and $4.95; the same suits were on sale in that department store and the women were crowding to get them. The announcement read "$8 and $10 Oliver Twist Suits at $5.90."

We ask you to visit our boys' department before you buy--it's to our mutual advantage.

DIRT AND DISEASE

One of the directors of a public health bureau declares in a recent bulletin that dirt is a breeder of disease. It constitutes a lurking place for the carriers of many misfortunes to men, women and children and shortens the average life of the race while increasing the mortality rates in centers of population. This is a generally accepted statement and a larger number of folks come to believe it and to base their practice upon it from year to year. And yet it is not generally accepted as a fact that the child who plays in the streets, who eats dirt with joy, who receives none of the careful attention given to the dainty darling who lives in the big house across the way, is strong and robust and immune from many of the ills that seek to take the lives of the juvenile population? The facts in the case seem to establish the truth of this theory, but when one comes to look into the statistics of infant mortality they fail it wholly.

A REMEDY FOR BRONCHIAL COLDS

Philadelphia Man Tells How He Treated a Severe Case With Vinol and the Successful Result.

Philadelphia, Pa.—"Last Fall I was troubled with a very severe bronchial cold with very bad effects from it, headaches, backaches, and sick to my stomach. I was so bad I became alarmed and tried several medicines, also a doctor, but did not get any relief. One of the men where I am employed asked me to try Vinol, saying it cured his worst colds. I did so, and in a very short time received the relief which I craved. Now I am enjoying perfect health, and recommend Vinol to be all that is claimed for it." —JACK C. SINGLETON, Philadelphia, Pa.

When we tell you that Vinol is the best remedy in all our large stock for chronic colds, coughs and bronchitis there is no excuse for letting a cough or cold hang on for months and even years.

It is the curative medicinal elements of the cod's livers, combined with blood making and strengthening properties of tonic iron contained in Vinol which makes it so successful in removing chronic coughs, colds and bronchitis, after other medicines fail.

Try a bottle of Vinol with the understanding your money will be returned if it fails to help you.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle.

Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, prepared a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective.

They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

Discuss the Full Crew Laws with Your Elected Representatives

The twenty-one railroads of Pennsylvania and New Jersey earnestly request that the people of those States have a heart-to-heart talk with their elected representatives at Harrisburg and Trenton, regarding the existing Full Crew Laws.

In making this request, the railroads ask only that the people—after giving the subject serious thought and due consideration—give their views to their district representatives and ask them where they stand on the matter.

The railroads merely request the people to discuss the subject sanely, dispassionately, without fear, favor, bias, or prejudice. They have already submitted the case to the court of public opinion. Whether the Full Crew Laws shall continue in force or be repealed is a question that the people can decide.

FULL CREW LAWS HURT GRANGERS

Lack of Labor Keeps Farmers From Availing of Opportunities.

Philadelphia, Feb. 26.

R. L. O'Donnel, chairman of the executive committee of the associated railroads, seeking support of the grange organizations of Pennsylvania and New Jersey in effecting repeal of the Full Crew Laws of those states, has addressed a personal letter to about 50,000 farmers, in which he sets forth chief reasons for repeal.

Mr. O'Donnel cites the stand taken against Full Crew measures by the grangers of Texas, Missouri and New York. The farmers, he asserts, should help secure repeal of those laws in Pennsylvania and New Jersey, not only because they are fundamentally bad legislation, and as such opposed to good government, but also because the farmers are confronted with labor problems which such laws make more difficult.

"This year," the letter reads in part, "because of the higher prices for farm produce, there is a call for increased plantings, and the greatest drawback you have in taking advantage of your opportunity this year is lack of labor.

"The men employed as a result of these laws have usually come from the farm, naturally seeking the higher pay which the railroads are obliged to give.

"This creation of extra jobs has called for the expenditure of over $2,000,000 a year by railroads in Pennsylvania and New Jersey, which must be borne indirectly by the shippers. It has taken away from the railroads money which was needed for elimination of grade crossings, purchase of refrigerator and stock cars, construction of sidings in producing territory, and from general development work.

"There is no purpose to lay off men whose services are necessary to adequately man trains; the object is merely to eliminate men for whom there is no real necessity and for whom jobs exist only by edict of law."

Game and Birds Coming Soon to this County

Greensburg Local of the Wild Life League of Pennsylvania held a meeting at the Fisher House, Wednesday, evening, Feb. 24.

Henry Wilson, George D. Lutz, David Byers, W. M. Berlin and Hudson S Campbell were appointed a committee on organization and these gentlemen will in the near future arrange for meetings for the purpose of organizing locals at Ligonier, Latrobe, Jeannette, Irwin, New Kensington, Vandergrift, Monessen, West Newton and other places in the county. Lebowitz to Meet Graeser Tonight

This evening at the Olympic billiard parlor, William Graeser will meet Harry Lebowitz in the regular pool tournament, and as both men are known to be exceptionally good pool players, this is expected to be one of the best games of the entire series. Considerable interest is shown among th sports of Monessen in this game, and visitors are expected from Charleroi, Belle Vernon and other points to se the contest. Graeser has a good record as a pool shark and Lebowitz —well he needs no introduction, as everyone knows what he can do The Olympic parlor will likely be crowded this evening.

Greensburg Can't Entertain Fire Laddies

Existing business conditions forced the Greensburg fire department Wednesday to vot down the proposition to entertain the convention of Pennsylvania State Firemen's association in October, 1915. The situation presenting itself to the members of the fire department was singularly unfortunate and it was with the deepest regret that the unanimous vote was taken, turning away for this time the coming to Greensburg of possibly 75,000 or 100,000 visitors.

Chief O.P.Long expressed the sentiment in declining the proposition, saying that "owing to the great business depression existing there, Greensburg could not at this time adequately entertain the convention.

Assistant Chief W. H. Blank coincided with Chief Long and regretted that owing to the great industrial depression exiscting there for the past several months, made the accepting of the invitation entirely out of the question. "We don't have any money to expend on entertaining the firemen as we would desire and we would be expected to."

Others were of the same mind and the responsibility of entertaining the convention was not assumed.

Sick Women Attention

Is it possible there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, which proves beyond contradiction that this grand old medicine has relieved more suffering among women than any other one medicine in the world?

We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine for women—and every year we publish many new testimonials, all genuine and true. Here are three never before published:

From Mrs. S. T. Richmond, Providence, R. I.

PROVIDENCE, R.I.—"For the benefit of women who suffer as I have done I wish to state what Lydia E. Pinkham's Vegetable Compound has done for me. I did some heavy lifting and the doctor said caused a displacement. I have always been weak and I overwo after my baby was born and inflammation set in, then nervous tration, from which I did not recover until I had taken Lydia E ham's Vegetable Compound. The Compound is my best fri when I hear of a woman with troubles like mine I try to ind to take your medicine."—Mrs. S. T. RICHMOND, 84 Progress A Providence, R.I

From Mrs. Maria Irwin, Peru, N.Y.

PERU, N.Y.—"Before I took Lydia E. Pinkham's Vegetable Compound I was very irregular and had much pain. I had lost three children, and felt worn out all the time. This splendid medicine helped me as nothing else had done, and I am thankful every day that I took it."—Mrs. MARIA IRWIN, R.F.D. 1, Peru, N.Y.

From Mrs. Jane D. Duncan, W. Quincy, Mass.

SOUTH QUINCY, MASS.—"The doctor said that I had organic trouble and he doctored me for a long time and I did not get any relief. I saw Lydia E. Pinkham's Vegetable Compound advertised and I tried it and found relief before I had finished the first bottle. I continued taking it all through middle life and am now a strong, healthy woman and earn my own living."—Mrs. JANE D. DUNCAN, Forest Avenue, West Quincy, Mass.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

Was Looking for Work

Mike Fensic of Uniontown, wandered to Monessen looking for work and he accepted the hospitality of friends and got full of booze. He stopped on the railroad track to take a sleep and the police found him in time to save a tragic ending. The burgess discharged the prisoner and told him to beat it back to the coke country. He promised he would.

This morning Officers Jenkins and Carlson were summoned to Highland avenue where a man was alleged to be killing his wife. They made the trip to find a man thrashing his daughter because she refused to marry a foreigner he had selected for her. The girl was sixteen years old. No arrest was made on account of members of the family refusing to appear as witnesses.

Costs May Equal Award

The case of Filadelphia Donatti of Fourth street against the borough of Monessen which was bitterly fought in Greensburg came to a final close late last evening and resulted in a verdict being returned by the jury in favor of the plaintiff for $368.67 and costs. Sixteen witnesses spent three days in Greensburg awaiting the case to be called and it is believed the costs will amount to about $200.00. Wyant and Robbins took care of the borough's interests and John E. Kunkle handled Donatti's side.

Donatti had purchased a small property in a hollow on Fourth street where an official grade had not yet been established. The house, it seems, was so situated that it appeared to be about on a level with the street but when it became necessary to pave, a fill had to be made to work out the proper grade. Filadelphia fell below the curb line and the Motz Lumber company was awarded a contract to raise the property which cost several hundred dollars. Street paving, raising the house and all expenses were said to net about $1,500, which amount was alleged in the claim. The verdict does not compensate the man for the expense in placing his property to street level.

These are the base facts underlying this great sale, and the department news on this page will state detailed information.

PLEASE REMEMBER THIS IMPORTANT FACT.
